Professional Summary

Customer Service and Administration professional with 11+ years of experience across high-volume contact centre, administrative, and customer support environments in the UK and South Africa. Skilled in handling customer queries via phone, email, CRM systems, and digital platforms with a strong focus on first-contact resolution, accuracy, and customer satisfaction.

Experienced in KPI-driven and regulated environments, including call handling targets, CSAT performance, complaint resolution, and account management. Confident in fast-paced, remote, and customer-focused roles requiring strong communication and problem-solving skills.

Currently seeking a remote UK Customer Service Advisor or Contact Centre role.

Core Skills

Customer Service & Contact Centre

- High-volume inbound call handling
- Complaint handling and escalation management
- Account queries, billing support and retention
- CRM systems (ICOMS and similar platforms)
- Customer account and record management
- KPI and SLA-driven environments (AHT, CSAT, wrap time)

Communication & Systems

- Phone, email and written customer communication
- Microsoft Office (Word, Excel, Outlook, Teams)
- Remote customer support environments

Core Strengths

- Strong communication and interpersonal skills
- Problem-solving and conflict resolution
- Time management in fast-paced environments
- High attention to detail and data accuracy

Employment History

Freelance Web Developer & Digital Services Specialist (Self-employed)

Nazarite Digital Solutions | Remote | June 2026 – Present

- Designed and delivered responsive websites based on customer requirements
- Managed projects from initial consultation through to successful completion
- Provided ongoing remote customer support, resolving queries and technical issues promptly
- Maintained and updated websites, implementing improvements based on customer feedback
- Built strong customer relationships through clear communication and reliable service
- Created digital content to enhance customers' online presence and business visibility

Senior Customer Service Advisor

Virgin Media O2 | Birmingham, United Kingdom (Hybrid) | Mar 2025 – June 2025

- Managed high-volume inbound customer calls, delivering efficient resolution of queries and maintaining strong customer experience standards
- Handled customer account queries including billing issues, payments, and contract changes
- Provided product guidance and customer retention support based on individual needs
- Maintained an average call handling time of approximately 7 minutes, consistently meeting performance targets
- Achieved strong customer satisfaction (CSAT) scores based on post-call customer feedback and ratings
- Maintained high-quality service standards through regular call monitoring and performance feedback
- Demonstrated effective first-contact resolution by resolving queries without unnecessary call transfers where possible
- Maintained efficient after-call wrap time of approximately 3 minutes and managed hold times appropriately during customer interactions
- Accurately logged and updated customer information using CRM systems
- Worked in a regulated contact centre environment, adhering to strict compliance and data protection standards
- Supported customers with additional accessibility needs, providing clear, patient, and empathetic communication
- Maintained strong schedule adherence, ensuring punctuality and readiness at the start of each shift

TEFL Teacher

Pangea Outsourcing Services | Remote, South Africa | Feb 2023 - May 2023

- Delivered structured English lessons in a remote environment to international learners, ensuring clear communication and understanding
- Adapted communication style to suit different individuals, learning needs, and cultural backgrounds
- Provided clear, supportive feedback to help improve performance and understanding
- Managed virtual sessions requiring strong communication, time management, and customer engagement skills

Administrator

ABC Springs | Umbogintwini, KwaZulu-Natal, South Africa | Jan 2015 - Aug 2022

- Delivered customer service by handling queries via phone, email, and written correspondence in a fast-paced environment
- Maintained accurate customer records and ensured information was kept up to date
- Processed customer orders, prepared quotations, and completed administrative documentation
- Provided hardware and software troubleshooting to support business operations
- Coordinated with suppliers and internal departments to resolve customer issues
- Prioritised administrative tasks to support the efficient day-to-day running of the business

Horticulturist

Heartland Leasing | Umbogintwini, KwaZulu-Natal, South Africa | Jan 2010 - Dec 2010

- Conducted environmental fieldwork in a nature reserve, identifying indigenous and invasive plant species, setting up transects, and compiling structured Excel datasets including tree counts, heights, and species distribution

Garden Centre Assistant

Kingfisher Creek Nursery | Bluff, KwaZulu-Natal, South Africa | Jan 2008 - Dec 2008

- Provided customer service in a retail environment, assisting with product enquiries, sales support, and cash handling

Education

- Bachelor of Technology in Horticulture - Durban University of Technology
- National Senior Certificate (Matric) - Amanzimtoti High School

Certifications

- Level 3 Customer Services Diploma - New Skills Academy
- Level 1 Award in Contact Centre Operations - Back2Work Complete Training
- GDPR Certificate - New Skills Academy
- Level 2 Diploma in Digital & IT Skills - Back2Work Complete Training
